**RESPONSE TO PLAINTIFFS-APPELLANTS’  
MOTION TO TAKE JUDICIAL NOTICE**

Defendants-Appellees Lisa Madigan, Patrick J. Quinn, and Tyler R. Edmunds (“Defendants”) do not object to the September 25, 2013 motion filed by Plaintiffs-Appellants to take judicial notice of a September 24, 2013 press release filed by the Illinois State Police (“ISP”). (Doc. 30). But in addition to the portions of the press release cited by Plaintiffs in their motion, Defendants wish to call the Court’s attention to those portions of the press release documenting the most recent steps ISP has taken in implementing the new regulatory regime mandated by the Illinois Firearm Concealed Carry Act, 430 ILCS 66/1, *et seq.*; P.A. 98-0063, 98th G.A. (Ill. 2013). In particular, the press release notes that:

1. “[O]n September 30, 2013, the Department will post a list of approved concealed carry firearms training curricula.” (Doc. 30-2). This Court may also take

judicial notice of the fact that ISP did make the approved concealed carry firearms training curricula available to the public on September 30, 2013. Illinois State Police, Illinois Concealed Carry Approved Curriculum, <http://www.isp.state.il.us/firearms/ccw/CCWApprovedCurriculum.pdf> (last visited Sept. 30, 2013) (Ex. A.)

2. “The Department has also developed a registry that includes information regarding approved instructors who have applied and successfully demonstrate[d] they meet all of the statutory requirements.” (Doc. 30-2). This Court may also take judicial notice of the fact that as of September 30, 2013, the registry listed 757 approved instructors in the State of Illinois. *See* Illinois State Police, Concealed Carry Instructor Search, <http://www.isp.state.il.us/firearms/ccw/instructor-registry.cfm?State=&County=&City=&LastName=&Search=Search> (last visited Sept. 30, 2013) (Ex. B) .

Dated: September 30, 2013

Respectfully submitted,
